- **SUNDAY 11th DECEMBER** – around 7.00am; an exceptionally large lorry will be delivering some units to the National Grid site; some temporary changes are having to be made to the Estate entrance & there may be one hour when access to some units will be impossible

Contact Steve Wheatcroft at Laing O'Rourke 07787 445010

- **CHRISTMAS GATE OPENING HOURS** – it is proposed the gates will be shut: 5.00pm-Friday 23 December to 5.00am Tuesday 3rd January
Any queries contact Judith asap.
- **WIMBLEDON STADIUM** – The Mayor handed back the planning decision to Merton who agreed it. Rumour has it, work will begin in April 2017; when we find out more we shall share this with you and we shall be working to minimise the effect the work and the development has on Garratt Business Park
- **FLY TIPPING** – this is on the increase all over London, Wandsworth, and on the outside of our gates and some inside the Estate; please report it if you find it. **AND PLEASE KEEP YOUR FORECOURTS TIDY**
- **RIVERSIDE ROAD REFURBISHMENT**—currently expected early February
- **FASTER BROADBAND** – Membership is now closed for 2016; more applications will be welcomed for 2017/18- please apply May 2017
- **GRIT BINS** – these are full; please see sign on the bin for nearest key holder, but keys are universal to all bins; **DO NOT FORCE THE LOCK**;
- **BUSINESS RATES** – You should have now received or accessed your revised rateable values from the VOA for effect from 1st April 2017. Please let Judith know if you have not.
- **SIGNBOARDS** – to display a new business name , contact Judith
- **GARRATT BUSINESS PARK WEBSITE** – to display or amend contact details, contact Judith
- **CROSSRAIL2** – the government appears to be delaying their announcement; it was expected November, it may be Spring 2017
- **AIR POLLUTION** stricter emissions policies for London; there is an opportunity to respond to the stage 2; deadline is 18 December – see <https://www.london.gov.uk/what-we-do/environment/pollution-and-air-quality/your-views-how-can-we-clean-our-air>
